SALES PERIOD

Beginning of the Sales Period	End of Sales Period
-------------------------------	---------------------

PRICE AND QUANTITIES OF ELECTRICITY

Product name Purchase Decision with a Fixed Price in Finnish zone of Green Energy	Estimated amount of electricity during the Sales Period (MWh)
Fixed price	Price without VAT and other taxes 150 EUR/MWh

 Buyer

 Seller

A share of the fixed price that reflects the price of electric power (including its supply) in the zone of Finland specified in this agreement and the hourly Nord Pool difference calculated according to values of Nord Pool LT price zone less the values of Nord Pool FI price zone. The fixed price + (NPS LT – NPS FI).

Nord Pool exchange prices per hour as well as historical prices are publicly accessible online <http://www.nordpoolgroup.com/> (on a day before the actual consumption).

In cases when no automated accounting system is used at the objects (or technological costs in the network are added), the consumption per hour shall be calculated on the base of the coefficient of residual schedule of the last year (unevenness) provided by AB “Energijos skirstymo operatorius” according to the Rules for Electric Power Selling.

The Buyer shall buy the whole electric power supplied by the Seller as an open supply.
